**Subject:** Request to Present

Good Morning,

Karen Lomas/Rush WI West Soccer would like to present a proposal at the next parks board meeting.

The proposal is to designate an area of Hinman Park to be used as a permanent soccer field and allow use for the Rush Soccer Club on a scheduled basis. The Boscobel Rush Club would work with Rush WI West to supply needed equipment. At this time, Karen Lomas, would be the Boscobel Rush Club contact.

Rush is an independent program and would not be a city ran program however we would like to collaborate with the city, schools, and community to make this program successful.

Our plan is to start the program with a 4 year old group and a U6/U8 group. We would plan to expand to support older teams as the program becomes established. There is a potential for hosting games against other Rush WI West Clubs. Rush provides endless opportunity to create a successful and well established program.

This is the link to the Rush WI West Soccer Club's website where additional information can be found: <https://www.rushwiwest.com/Default.aspx?tabid=1191359>

Thank you for your consideration and I look forward to continued collaboration and discussion.
