

NOTICE FROM THE MAYOR'S OFFICE

PUBLIC NOTICE

The City's hydrant flushing program will be during **October, 2020**. The flushing program shall be as follows:

1st Ward - October 13, 2020	8:00 AM to Noon
2nd Ward - October 13, 2020	8:00 AM to Noon
3rd Ward - October 14, 2020	8:00 AM to Noon
4th Ward - October 14, 2020	8:00 AM to Noon

Residents should check their water before doing laundry by running the cold water tap in their homes. If the water is cloudy, allowing the cold water to run will clear up the service lines to your home. The fact that the water is cloudy does not mean it is unsafe, as the public water supply is tested four times monthly at the State laboratories.

If you have any questions, please call 375-5030 or 375-5429.

Boscobel Water Department
