

Hello everyone, my name is Jacob Young and as of April, I am the new pool manager for Boscobel! I am very excited about this upcoming summer and wanted to provide everyone with some pool updates.

Opening day will be June 5th, with open swim from 1:00-4:30 p.m and night swim from 6:00-8:00 p.m. A more detailed schedule will be released closer to opening day concerning family and lap swim times.

We will be having swim lessons this summer! We will be having two sessions this summer instead of three due to a change in management and want to make sure we do everything as safe and covid free as possible. Session 1 will be from July 12th-23rd and Session 2 will be from August 2nd-13th. Both sessions run for 2 weeks, with morning and evening options available. Sign ups begin on opening day, and you must sign up at the pool, where I or a lifeguard can help you sign up.

As of now, we have only 9 lifeguards on staff for this upcoming season. While we plan to open, with our low numbers problems may arise resulting in days where the pool is open for limited hours. To avoid this issue, I highly encourage anyone 15 or older to get certified as a lifeguard and come join us at the pool! Fennimore pool runs a lifeguard class every summer, and they still plan to run it this summer. Here is a link to the post with more information.

If anyone has any pool-related questions, feel free to send me an email at [jakeyoung2024@gmail.com](mailto:jakeyoung2024@gmail.com). I will be sure to respond back as quick as possible with the best information I have.

Any other updates will be posted on the City of Boscobel / Boscobel Rec facebook page, and I look forward to seeing you all at the pool this summer!
