

NOTICE FROM THE MAYOR'S OFFICE

PUBLIC NOTICE

The City's hydrant flushing program will be held during the month of May 2022.

The flushing program shall run from 8:00 A.M. to 3:00 P.M. on the following dates:

East side of Wisconsin Avenue - May 10, 2022 & May 11, 2022

West side of Wisconsin Avenue - May 17, 2022 & May 18, 2022

Residents should check their water before doing laundry by running the cold water tap in their homes. If the water is cloudy, allowing the cold water to run will clear up the service lines to your home. This may take a few minutes. The fact that the water is cloudy does not mean it is unsafe, as the public water supply is tested four times monthly at the State laboratories.

If you have any questions, please call 375-5030 or 375-5429.

Boscobel Water Department
