

BOSCOBEL GREATER COMMUNITY POOL FUNDRAISING

Little Splashes. Lasting Waves.

Our mission is to ensure that every child and adult in the greater Boscobel community has access to life-saving swim skills in a safe, modern, and accessible space to learn, play, and grow together.

Why the Boscobel Greater Community Pool Matters

The Boscobel Greater Community Pool is more than a place to swim, it is a life-saving and community-building resource.

Located near the Wisconsin River, water safety is critical in our community. Drowning is the leading cause of death for children ages 1–4, making access to swim lessons and safe aquatic facilities essential.

Each summer, the pool serves as a hub for recreation, fitness, and connection, offering nearly 300 swim lessons, supporting a 100+ member swim team, and welcoming an average of 100 visitors daily. In 2025 alone, 614 season passes were sold, reflecting strong community support.

However, the pool has reached the end of its life. Aging systems, safety concerns, and accessibility challenges make it clear that action is needed now.

Your support helps ensure a safe, modern, and accessible pool where our community can learn, gather, and thrive for generations to come.

After careful consideration by the Pool Committee a recommendation was made to the Boscobel City Council, in September of 2025, to approve Version #5. The recommendation was approved unanimously.

Version #5 is pictured above and includes the following features:

- New 7,380 sq. ft. steel reinforced, concrete pool vessel
- Reuse Existing Historical Bathhouse
- Zero Depth Entry (ZDE)
- Toddler Slide, Bucket Tree & Geysers in ZDE
- New Mechanical Building
- 1-Meter Diving Tower
- Zip Line
- Bleacher Area
- Concessions Area
- Reuse Deck Slide
- Shade Structures
